Flower Templates — Cut This Sheet!

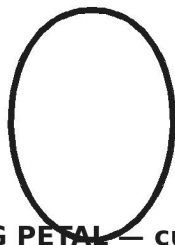

My name: _____ Date: _____

PROJECT 1B — TEMPLATES (this sheet gets cut up!)

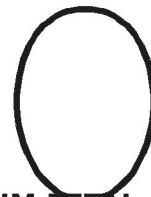

Print at 100% size. Color your petals BEFORE you cut — it is much easier!
Cut on the thick lines. Trace the shapes onto tab dividers, then cut the dividers.

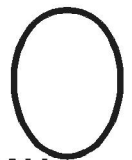

This square = 1 inch
(if not, print at 100%)

BIG PETAL — cut 4

MEDIUM PETAL — cut 2

SMALL — cut 2

FLOWER CENTER — cut 1, glue petals on the gray circle

LEAF — cut 2 on green paper

STEM — cut 1

Practice first! Trace a petal here and color it your way:

How fun was it? Color the stars!
